

What is LANCAR.INK?

LANCAR provides minority matriculating journalists, with multimedia publication opportunities. Through community service, professional development and marketing training. LANCAR provides the necessary tools to build and promote a journalism portfolio, prior to entering the media industry.

LANCAR bridges the cultural gap between You and Mainstream America. LANCAR showcases journalistic talents of a diverse group of students, on a variety of issues including but not limited to higher education, politics and social justice.

LANCAR.INK

A 501 (c) 3 tax exempt non-profit
news outlet

What is LANCAR Ink?

LANCAR Ink is a non-profit news outlet, which launched September 2015.

LANCAR Ink's sole purpose is to

- Create content that matters-Diversify newsrooms in America
- Increase employment prospects
- Promote the programs and initiatives of other non-profit organizations-Guide fellows in the development of their journalism portfolio.

How does a LANCAR Internship work?

LANCAR Ink provides multicultural students and entry level journalists with an opportunity to participate in a digital internship, where they choose the content and the medium to produce, with guidance from editors.

Why is this ideal?

During the summer program, LANCAR Ink participant sare able to produce work that is meaningful!

LANCAR Ink serves as an opportunity to bring communities together through multi media storytelling!

The content produced willbring to light otheropportunities in the community

LANCAR Ink will be competing against and learning from some of the best nonprofit news outlets

- National Public Radio(NPR) 
- Center for Investigative Reporting (CIR) 
- Public Broadcasting Services (PBS)
